

Coffee Filter Uses

Separate your good dishes by putting a filter between each dish.

If you break the cork while opening a wine bottle, filter the wine through a filter.

Filters make excellent inexpensive covers for microwave cooking.

Place a filter in the skillet to absorb moisture and prevent rust..

Ball up a filter to apply shoe polish; they're lint free.

After frying, strain oil through a sieve lined with a filter.

Filters make convenient wrappers for messy foods like tacos.

Line a plant pot with a filter to prevent the soil from leaking through the drainage holes.

Poke one or two holes as needed in a filter, insert a popsicle and let the filter catch the drips, instead of the clothing.
