

Acronym Finder

So many people use abbreviations of all kinds of words or phrases, especially since they've learned texting on cellphones. These acronyms are too often used in emails as well.

1. Go to [Click here: Abbreviations and acronyms dictionary: Find definitions for over 4,219,000 abbreviations, acronyms, and initialism](#)

2. Type the acronym into the box at the top of the page.

3. Click Find.
