

Asf files do not play

Can't play those .asf files??? Try this:

1. Open Internet Explorer
2. Go to Tools in the browser
3. Then to Internet Options
4. Click the Security tab
5. Then go to Custom Level
6. Under "Active Controls and plug-ins,"
Enable "Download unsigned activeX controls"
Media Player should download the codec automatically after doing the
above.
