

## **Fonts in Internet Explorer**

**To specify fonts and colors to always use for Web pages**

- 1. On the Tools menu in Internet Explorer, click Internet Options.**
- 2. On the General tab, click Accessibility.**
- 3. Change the settings as needed.**

**Note: Embarqmail has a Lite Email and an Enhanced Email. In order to change fonts you must use Enhanced Email. Type size can be changed in Lite Email, but only for reading purposes, not for sending email.**
