

How long does mail stay available in my AOL mailbox?

New Mail: Messages that you have not read will stay in your New Mail folder for about 27 days. To save mail as if you had not read it, click **Keep as New** at the bottom of the on AOL mailbox.

Old Mail: Mail remains in the Old Mail folder in your on-AOL mailbox for about 3 days.

Sent Mail: Mail you send remains in the Sent Mail folder in your on-AOL mailbox for up to 27 days.

Mail Saved to your PC or AOL remains until you delete from those folders.
