Linksys Upgrade Firmware

Go to www.linksys.com, select the upgrade you want and download it.

1. Open Internet Explorer and type into browser 192.168.1.1 to go to the linksys support site.
2. Leave the User box as is, type ADMIN for the password and press enter.
3. Click Administration…firmware upgrade
4. Click Browse and locate the file you downloaded in step#1. Click to enter the path to this file into the linksys upgrade box.
5. Click UPGRADE
