Windows Photo Gallery is a free program that comes with Vista. It allows you to easily import, organize, edit, print and share your photos.

## Organize photos

- By Date or by Title (tag)
- Tags (Folder & Subfolder Feature on import)

## Edit photos

- Adjust lighting
- Fix red eye
- Crop

## Print photos

- Easily adjust size
- Print out contact sheets
- Order prints online

## Share photos

- Email – with easy resize options
- 

## Create

- slide shows
- movies
- panoramas (need to download Windows Live Photo Gallery, a free upgrade to Vista photo Gallery from Microsoft)

# Easily burn to DVD for playback on your computer or DVD Player
