FAMILY TREE SCRAPBOOK

Save pictures from the FTW scrapbook to a cd using Cd-writer:

Open the FTW Scrapbook
Click FILE
Click PRINT PREVIEW and all the images will appear in sequence without any borders.
Click FILE
Click EXPORT SCRAPBOOK -- TO ACROBAT (PDF)
Give it a file name such as: Scrapbook images
Go to Windows Explorer and click on FTW
Look for file--Scrapbook images (in right hand column)
Copy or move this file to your read/write CD
