

BigJig Puzzles

1. Sign Online.
2. Open the Big Jig program - Do not choose a puzzle to work, just close out that screen.
3. Click on the World Icon on the Tool Bar at top. (3rd icon)
4. Click on Contents from the download site.
5. Click on Old Xmas Postcards or any other puzzle group.
6. Click on Multiple Download Button.

This will download all the puzzles in that group and put them in the Big Jig Program.

Repeat the same for another puzzle group if you want those puzzles.

If you don't want all the puzzles in the group click on the + in front of the group and highlight the puzzle name or number, you will see a preview. If you only want that puzzle click on the Download
